ABOUT EXHIBITION

Expo Paint & Coatings- 2024 is a comprehensive Paint & Coatings exhibition that provides a platform for the needs of every facade of the coating industry, right from raw materials, formulation, application, technology, finishing, quality assurance, to recycling and disposal. The Exhibition will feature a wide range of products, raw materials, application systems, machines, tools, current trends, development & innovations shaping future of the coating industry.

Expo Paint & Coatings- 2024 will bring together leading local and international manufacturers, formulators, buyers, industry professionals, consultants, enthusiasts and prospective entrants from the Paint & Coatings, surface finishing & allied industries, presenting unrivaled opportunities to network, exchange best practices, do business, unveil new products, and source cutting-edge products, technologies and solutions.

Why Exhibit

Expo Paint & Coatings is scheduled to be held at India's premier Exhibition & Trade shows destination - Pragati Maidan, New Delhi. The political capital of India has gradually emerged as the new economic capital of the country. New Delhi with its extended urban agglomeration (NCR) and statehood, is one of the fastest-developing metropolitan economic entities globally.

New Delhi's proximity to seat of National Government, clubbed with excellent infrastructure, connectivity and closeness to industrial hubs of adjoining states of Punjab, Haryana, Uttar Pradesh, Uttaranchal & Rajasthan, provides a favorable business environment and better reach to the huge market of Northern & Central India. In addition city's ideal location, the abundance of quality hotels and nearby destinations attracts International and Indian travellers alike.

Expo Paint And Coatings is the only exhibition on coating sector in Northern region of India. The region, by virtue of being highly industrialized, a manufacturing hub, hosting significant population, and witnessing infrastructure boom, offers unparalleled potential for architectural and industrial coatings market.
