

## HIGHLIGHTS 2022

Held at Pragati Maidan Expo Paint And Coating 2022 covered an exhibition area of 3340 square meter.

International & Domestic Exhibitors mfrs. & solution providers showcased latest trends in raw materials, application systems, machinery, tools and expertise.

A healthy business visitors turnout including good numbers from China, Taiwan, Singapore, Shrilanka, Bangladesh, Myanmar, Nepal, Maldives, Europe and Middle east

Pan India Reach-Expo Paint And Coating 2022 observed a visitor walk in from almost all states of India & visitors from abroad constituting to 2% of total number.

India is world's fastest growing large economy. India's ascent post economic liberalization is powered by a massive consuming class and riding on raised economic growth and increased consumer choices. **The swift pace of industrialisation and exponential increase in urban infrastructure** calls for **gigantic unmet Paint & Coating Demands** presenting a huge opportunity for domestic and international players that can provide Capital, technology, innovations, know-how, goods and services.

The India Paint & Coating Industry is growing at a CAGR of over 12% and market is expected to grow over INR 700 Billion by 2023\*

#### ABOUT EXHIBITION

**Expo Paint & Coatings - 2023** is a comprehensive Paint & Coatings Exhibition providing platform to the needs of every facade of the coating industry right from raw materials, formulation, application, technology, finishing, quality assurance, recycling and disposal. The Exhibition will feature a wide range display of products, Raw Materials, Application systems, Machines, Tools, current trends, development & innovations shaping future of coating industry.

**Expo Paint & Coatings - 2023** will bring together leading local and international manufacturers, formulators, buyers, industry professionals, consultants, enthusiasts and prospective entrants from the Paint & Coatings, surface finishing & allied industry **presenting** unrivaled opportunities to network, exchange best practices, do business, unveil new products and source cutting-edge products, technologies and solutions.

**NEW DELHI**, the political capital of India, has gradually emerged as the new economic capital of the country. New Delhi with its extended urban agglomeration (NCR) and statehood is one of the fastest developing metropolitan economic entities globally.

New Delhi's proximity to seat of National Government clubbed with excellent infrastructure, connectivity and closeness to industrial hubs of adjoining states of Punjab, Haryana, Uttar Pradesh, Uttaranchal & Rajasthan provides a favorable business environment and better reach to huge market of Northern & Central India. In addition city's ideal location, abundance of quality hotels and nearby destinations attracts International and Indian voyagers alike.

#### WHY EXHIBIT!!

Some things are hard to predict the market, politics and the weather. Some aren't, like the thousands of potential buyers that will be on the floor of **Expo Paint & Coatings 2023**.

**Expo Paint & Coatings 2023** is the only exhibition on Paint coating industry in Northern region of India. The region by virtue of being highly industrialized region, manufacturing hub, hosting significant population, witnessing infrastructure boom offers unparalleled potential for Architectural and Industrial coatings market.

At **Expo Paint & Coatings 2023**, Exhibitors from India and abroad shall present a comprehensive display of products and expertise in areas of Paints, Coatings, Processing, Machines, Equipment and technological advancements.

A professionally managed Exhibition equipped with its extensive publicity campaign, Exhibitor promotion plans, focused visitor promotion plans, buyer-seller matchmaking will provide a unique opportunity to cost-effectively promote your products and services to buyers with decision making and purchasing power, at the Exhibition in just 3 days.

Decision makers from Top management, Technology heads, Exporters, Importers, Distributors, Policy makers and Solution Providers will take the opportunity for exchanging information, networking and generating sales leads to grow your business.

#### EXHIBITOR PROFILE

**Raw Materials - Manufacturers & Distributors** of raw materials (coatings, inks, adhesives) Pigments, Additives, Solvents, Binders, Fillers, Dyes, Polymers, Monomers, Synthetic-Natural-Emulsion Resins, Tackifiers, Bulk & Specialty Chemicals, Intermediates, Extenders, Stainers, Pigments Dispersions & Machine Colorants, loads, Waxes, Oil, Varnishes.

**Paints & Coatings Manufacturers** - Liquid paints and Powder enamels, Decorative Paints, Mfrs. of Water Based, Solvent Based, Solid, UV, Coil coating, Industrial Coatings – Protective, Anti corrosion, Waterproofing, Fireretardant, Wood, Marine, Glass, Textile, Packaging, Speciality Coating, Auto refinishes, Industrial Finishes, Mfrs. of Pre-treatment and corrosion prevention chemicals, Drying and hardening agents, Paint removing chemicals, Putty & Thinners.

**Paint & Coatings Application Systems** - Manufacturers of Application Systems, Machinery, Equipments & Tools for Painting / Enamelling, Painting Brush Making Machines, Dip - Flow Coating- Drum Type & Coil Coating Painting Systems, Spray systems for painting/ enamelling, Spray guns-Airless-Compressed air-Electrostatic-HVLP-Tribo-Corona, Atomisers, Cyclones, Dosers, Injectors Paint Booths - Liquid paints & Powder coating, Reciprocators, Thermal Coating Systems, Automated Conveyor systems.

**Machines & Equipment** - Manufacturers, Importers and Dealers of Equipment, Machines, Automation, Conveying and Handling systems, Dispersers, Agitators, Kneaders, Colour matching tools, Mixers, Dispensing Machines, Teinter machines, Production Tank reactors, Resin Plant, Screens-Sieves & Filters, Cleaning & Pretreatment Systems, Ionizing, Drying and Curing plants, Sintering Systems, Paint Stripping Systems, Compressors & CA systems, Automation Systems- Conveyors- Hoisters -Robots, Packaging & filling machines lining, printing, marking, coding, labeling machines, hangers, pumps, Measuring & weighing devices

Surface preparation & Surface Finishing Equipment, tools, Technologies, Abrasion, Deburring, Sand & Shot Blasting, Mechanical & Chemical finishing technologies and systems – Ultrasonic, Electroplating, Vacuum Plating, Metallizing, Plasma systems, Buffing & Polishing

**Quality assurance systems** - Analytical Instruments for thickness, colour & gloss. Colorimetry, Visual recognition systems, Testing & Measuring Instruments, QC and lab testing equipments, In Production & Process control systems.

**Environmental technology** - Sustainable / Green coating materials, Nanotechnology Emission Treatment, effluent treatment. Water & Air recycling and disposal, Heat recovery, Container washing Equipment, Occupational Safety

Software, Consulting, Certification, R&D, Services, Training, Technical literature

#### VISITOR PROFILE

Expo Paint & Coatings 2022 will attract Decision makers, Industry captains, Manufacturers, Technologists, Marketing / Purchase & Technical heads, Specifiers & QA professionals, Users / Buyers from Paint & Coating industry, Pigments, Inks, Resins, Adhesives, Sealants, Chemicals, Surface finishing and end users from:

- |                         |                                     |
|-------------------------|-------------------------------------|
